NOTICE TO TRANSPORT OPERATORS

You are receiving this notice because you have active transport operator license plates registered with the Indiana Bureau of Motor Vehicles (BMV). **Effective July 1, 2021**, all transport operator license plates will be processed by the Auto Dealer Services Division (ADSD) of the Indiana Secretary of State's Office.

All transport operators who have plates that expire before July 1, 2021 will continue to receive renewal notices from the BMV. Those renewals will be processed by the BMV if they are received before July 1, 2021. If renewals are received after July 1, 2021, they will be forwarded to ADSD for processing.

All transport operators who have plates that expire after July 1, 2021 will not receive a renewal notice from the BMV. Instead, you will be receiving a separate letter from ADSD that includes instructions for how to process your renewals.

Questions regarding the change to transport operator plates may be sent to the Auto Dealer Services Division at dealers@sos.in.gov.

Thank you,
